Hiring Manager
Company

Dear Hiring Manager,

I am writing to express my strong interest in the Software Engineer position at Company. With my comprehensive background in software development and proven track record of delivering innovative solutions, I am confident that I would be a valuable addition to your team.

My technical expertise includes AI based system development, Recommendation letter writing (AI), Document formatting (AI), File / error checking (AI), Document naming (AI), which directly aligns with the requirements outlined in your job posting. I have successfully applied these skills in various projects and collaborative environments, consistently delivering high-quality results that exceed expectations.

In my recent role as ADMM Intern, I have demonstrated my ability to work effectively in team environments while managing complex technical challenges. My experience has prepared me well for the responsibilities and opportunities that this position offers.

I am excited about the opportunity to contribute to Company's continued success and innovation. I would welcome the chance to discuss how my skills, experience, and passion for technology can benefit your team. Thank you for considering my application.

Sincerely,

Dhiraj Sahu
